OIL-DRI CORPORATION OF AMERICA
CREDIT AGREEMENT

[BMO Harris Bank](#) N.A.
Chicago, Illinois

Ladies and Gentlemen:

The undersigned, Oil-Dri Corporation of America, a Delaware corporation (the “*Company*”), applies to you (the “*Bank*”) for your commitment, subject to the terms and conditions hereof and on the basis of the representations and warranties hereinafter set forth, to make a revolving credit (the “*Revolving Credit*”) available to the Company, all as more fully hereinafter set forth.

SECTION 1. THE CREDITS.

Section 1.1. Revolving Credit. Subject to the terms and conditions hereof, the Bank agrees to extend a Revolving Credit to the Company which may be availed of by the Company from time to time during the period from and including the date hereof to but not including the Termination Date, at which time the commitment of the Bank to extend credit under the Revolving Credit shall expire. The Revolving Credit may be utilized by the Company in the form of loans (individually a “*Loan*” and collectively the “*Loans*”) and Letters of Credit, provided that (a) the aggregate principal amount of Loans and Letters of Credit outstanding at any one time shall not exceed ~~\$25,000,000~~45,000,000 (the “*Revolving Credit Commitment*”, as such amount may be reduced pursuant to Section 3.4 hereof) and (b) as provided in Section 1.3(a), the aggregate amount of Letters of Credit issued and outstanding hereunder shall not at any one time exceed the U.S. Dollar Equivalent of ~~\$5,000,000~~10,000,000. Each Loan shall be in a minimum amount of \$100,000 or such greater amount which is an integral multiple of \$25,000; *provided, however*, that Loans which bear interest with reference to the Adjusted LIBOR or Offered Rate shall be in such greater amount as is required by Section 2 hereof. The Loans shall be made against and evidenced by a single promissory note of the Company in the form (with appropriate insertions) attached hereto as Exhibit A (the “*Note*”) payable to the order of the Bank in the principal amount of ~~\$25,000,000~~45,000,000. The Note shall be dated the date of issuance thereof and be expressed to bear interest as set forth in Section 2 hereof. The Note, and all Loans evidenced thereby, shall mature and be due and payable in full on the Termination Date. Without regard to the principal amount of the Note stated on its face, the actual principal amount at any time outstanding and owing by the Company on account of the Note shall be the sum of all Loans made under this Section less all payments of principal actually received by the Bank. During the period from and including the date hereof to but not including the Termination Date, the Company may use the Revolving Credit Commitment by

borrowing, repaying and reborrowing Loans in whole or in part, all in accordance with the terms and conditions of this Agreement.

~~The Company acknowledges that it is justly and truly indebted to the Bank on the Present Loans in the principal amount of \$0.00 plus accrued and unpaid interest thereon. Upon satisfaction of the conditions precedent to effectiveness set forth in Section 6 hereof, the Present Loans shall automatically, and without further action on the part of either the Bank or the Company, become evidenced by the Note and, to that extent, the Note is issued in renewal of, and evidences the same indebtedness formerly evidenced by, the Prior Note, as well as evidencing all additional Loans made pursuant hereto. All of the Present Loans shall, for all purposes of this Agreement, be treated as though they constituted Loans under this Agreement in an amount equal to the aggregate unpaid principal balance of the Present Loans made on the date the conditions precedent to effectiveness set forth in Section 6 hereof have been satisfied or duly waived in writing by the Bank. Simultaneously with such satisfaction or waiver of such conditions precedent, any commitment of the Bank under the Prior Credit Agreement shall terminate and all accrued but unpaid interest on the Present Loans and accrued but unpaid letter of credit and commitment fees shall be due and payable.~~

Section 1.2. Manner and Disbursement of Loans. The Company shall give written or telephonic notice to the Bank (which notice shall be irrevocable once given and, if given by telephone, shall be promptly confirmed in writing) by no later than 11:00 a.m. (Chicago time) on the date the Company requests the Bank to make a Loan hereunder; *provided, however*, that telephonic notice may only be given by a ~~Class A~~ Authorized Representative. Each such notice shall specify (i) the date of the Loan requested (which must be a Business Day) and (ii) the amount of such Loan. The Company agrees that the Bank may rely upon any written or telephonic notice given by any person the Bank reasonably and in good faith believes is an Authorized Representative without the necessity of independent investigation and, in the event any earlier telephonic notice conflicts with the later written confirmation, such notice shall govern if the Bank has acted in reasonable reliance thereon. Subject to the provisions of Section 6 hereof, the proceeds of each Loan shall be made available to the Company at the principal office of the Bank in Chicago, Illinois, in immediately available funds. Each Loan shall initially constitute part of the Base Rate Portion except to the extent the Company has otherwise timely elected as provided in Section 2 hereof.

Section 1.3. Letters of Credit.

(a) *General Terms.* Subject to the terms and conditions hereof, the Revolving Credit Commitment may be availed of by the Company in the form of standby letters of credit issued by the Bank for the account of the Company (individually a “*Letter of Credit*” and collectively the

“*Letters of Credit*”), provided that the aggregate amount of Letters of Credit (including the Present Letters of Credit) issued and outstanding hereunder shall not at any one time exceed the U.S. Dollar Equivalent of ~~\$5,000,000~~ 10,000,000. For purposes of this Agreement, a Letter of Credit shall be deemed outstanding as of any time in an amount equal to the maximum amount which could be drawn thereunder under any circumstances and over any period of time plus any unreimbursed drawings then outstanding with respect thereto. If and to the extent any Letter of Credit expires or otherwise terminates without having been drawn upon, the availability under the Commitment shall to such extent be reinstated. The parties acknowledge and agree that the Present Letters of Credit shall each constitute a “*Letter of Credit*” herein for all purposes of this Agreement to the same extent, and with the same force and effect as if such Letter of Credit had been issued at the request of the Company hereunder. ~~The parties further acknowledge and agree that the Blue Mountain L/C is not a Letter of Credit hereunder.~~

(b) *Term.* Each Letter of Credit issued hereunder shall expire not later than the earlier of (i) twelve (12) months from the date of issuance (or be cancelable not later than twelve (12) months from the date of issuance and each renewal) or (ii) 270 days after the Termination Date. On the Termination Date, the Company hereby agrees to pay to the Bank without notice or demand an amount equal to 103% of the Letters of Credit outstanding on such date (whether or not the relevant Letters of Credit have been drawn upon) which amount shall be held by the Bank as collateral security therefor (and which cash collateral shall be accompanied by such security documents as are then required by the Bank in its reasonable discretion) or the Company shall provide a “back-up” letter of credit in a face amount equal to 103% of the Letters of Credit outstanding on such date and otherwise in form and substance, and issued by an issuer, satisfactory to the Bank in its reasonable discretion, as security for the repayment of any amounts owing with respect to the Letters of Credit.

(c) *General Characteristics.* Each Letter of Credit issued hereunder shall be payable in U.S. Dollars or an Available Foreign Currency, conform to the general requirements of the Bank for the issuance of a standby letter of credit as to form and substance, and be a letter of credit which the Bank may lawfully issue.

(d) *Applications.* At the time the Company requests each Letter of Credit to be issued (or prior to the first issuance of a Letter of Credit in the case of a continuing application), the Company shall execute and deliver to the Bank an application for such Letter of Credit in the form then customarily prescribed by the Bank (individually an “*Application*” and collectively the “*Applications*”). Subject to the other provisions of this subsection, the obligation of the Company to reimburse the Bank for drawings under a Letter of Credit shall be governed by the Application for such Letter of Credit. In the event a drawing is paid on a Letter of Credit and the Company has not notified the Bank by 11:00 a.m. (Chicago time) on the date when such drawing is paid that the Company intends to repay such reimbursement obligation with funds not borrowed under this

Agreement, the Company shall be deemed to have irrevocably requested a Loan constituting a Base Rate Portion on such day in the amount of the reimbursement obligation then due, in each case subject to Section 6.1 hereof (other than the requirement that a Loan be in a certain minimum amount), which new Loan shall be applied to pay the reimbursement obligation then due. Anything contained in the Applications to the contrary notwithstanding, (i) in the event the Bank is not reimbursed by the Company (whether out of the proceeds of such a Loan or otherwise) for the amount the Bank pays on any amount drawn under a Letter of Credit issued hereunder by 2:00 p.m. (Chicago time) on the date when such drawing is paid, the obligation of the Company to reimburse the Bank for the amount of such drawing paid shall bear interest (which the Company hereby promises to pay on demand) from and after the date the drawing is paid until payment in full thereof at the fluctuating rate per annum determined by adding 2% to the Base Rate as from time to time in effect (computed on the basis of a year of 365 or 366 days, as the case may be, for the actual number of days elapsed), (ii) the Company shall pay fees in connection with each Letter of Credit as set forth in Section 3 hereof, and (iii) prior to the occurrence of an Event of Default the Bank will not call for the funding of a Letter of Credit by the Company prior to being presented with a drawing thereunder.

Section 1.4. Guaranties from Domestic Subsidiaries . Payment of the Obligations shall at all times be jointly and severally guaranteed by each Domestic Subsidiary pursuant hereto or pursuant to a Guaranty issued by such Domestic Subsidiary; *provided, however*, that no such guaranty shall be required from any Domestic Subsidiary which is an Inactive Subsidiary. In the event any Domestic Subsidiary is hereafter acquired or formed or any previously Inactive Domestic Subsidiary ceases to be Inactive, the Company shall also cause such Domestic Subsidiary to execute a Guaranty, together with such other instruments, documents, certificates and opinions required by the Bank in connection therewith.

SECTION 2. INTEREST ON LOANS AND CHANGE IN CIRCUMSTANCES.

Section 2.1. Interest Rate Options on Loans. (a) Subject to all of the terms and conditions of this Section 2, portions of the principal indebtedness evidenced by the Note (all of the indebtedness evidenced by the Note bearing interest at the same rate for the same period of time being hereinafter referred to as a “*Portion*”) shall bear interest with reference to the Base Rate (the “*Base Rate Portion*”) or, at the option of the Company subject to the terms and conditions hereof, with reference to an Adjusted LIBOR (“*LIBOR Portions*”) or with reference to an Offered Rate (“*Offered Rate Portions*”), and Portions may be converted from time to time from one basis to the other. All of the indebtedness evidenced by the Note which is not part of a Fixed Rate Portion shall constitute a single Base Rate Portion. All of the indebtedness evidenced by the Note which bears interest with reference to a particular Adjusted LIBOR for a particular Interest Period shall constitute a single LIBOR Portion. All of the indebtedness evidenced by the Note which bears interest with reference

to a particular Offered Rate for a particular Interest Period shall constitute a single Offered Rate Portion. There shall not be more than ten (10) Fixed Rate Portions applicable to the Note outstanding at any one time. Anything contained herein to the contrary notwithstanding, the obligation of the Bank to create, continue or effect by conversion any Fixed Rate Portion shall be conditioned upon the fact that at the time no Default or Event of Default shall have occurred and be continuing. The Company hereby promises to pay interest on each Portion at the rates and times specified in this Section 2.

(b) *Base Rate Portion.* The Base Rate Portion shall bear interest at the rate per annum determined by adding the Applicable Margin to the Base Rate as in effect from time to time, *provided* that if the Base Rate Portion or any part thereof is not paid when due (whether by lapse of time, acceleration or otherwise), or at the election of the Bank upon notice to the Company during the existence of any other Event of Default, such Portion shall bear interest, whether before or after judgment, until payment in full thereof at the rate per annum determined by adding 2% to the interest rate which would otherwise be applicable thereto from time to time. Interest on the Base Rate Portion shall be payable quarter-annually on the last day of each March, June, September and December, in each year (commencing on the first such date occurring after the date hereof) and at maturity of the Note and interest after maturity (whether by lapse of time, acceleration or otherwise) shall be due and payable upon demand. Any change in the interest rate on the Base Rate Portion resulting from a change in the Base Rate shall be effective on the date of the relevant change in the Base Rate.

(c) *LIBOR Portions.* Each LIBOR Portion shall bear interest for each Interest Period selected therefor at a rate per annum determined by adding the Applicable Margin to the Adjusted LIBOR for such Interest Period, *provided* that if any LIBOR Portion is not paid when due (whether by lapse of time, acceleration or otherwise), or at the election of the Bank upon notice to the Company during the existence of any other Event of Default, such Portion shall bear interest, whether before or after judgment, until payment in full thereof through the end of the Interest Period then applicable thereto at the rate per annum determined by adding 2% to the interest rate which would otherwise be applicable thereto, and effective at the end of such Interest Period such LIBOR Portion shall automatically be converted into and added to the Base Rate Portion and shall thereafter bear interest at the interest rate applicable to the Base Rate Portion after default. Interest on each LIBOR Portion shall be due and payable on the last day of each Interest Period applicable thereto and, with respect to any Interest Period applicable to a LIBOR Portion in excess of three (3) months, on the date occurring every three (3) months after the date such Interest Period began and at the end of such Interest Period, and interest after maturity (whether by lapse of time, acceleration or otherwise) shall be due and payable upon demand. The Company shall notify the Bank on or before 11:00 a.m. (Chicago time) on the third Business Day preceding the end of an Interest Period applicable to a LIBOR Portion whether such LIBOR Portion is to continue as a LIBOR Portion, in which event

the Company shall notify the Bank of the new Interest Period selected therefor, and in the event the Company shall fail to so notify the Bank, such LIBOR Portion shall automatically be converted into and added to the Base Rate Portion as of and on the last day of such Interest Period.

(d) *Offered Rate Portions.* Each Offered Rate Portion shall bear interest for the Interest Period selected therefor at the Offered Rate for such Interest Period, *provided* that if such Offered Rate Portion is not paid when due (whether by lapse of time, acceleration or otherwise), or at the election of the Bank upon notice to the Company during the existence of any other Event of Default, such Portion shall bear interest, whether before or after judgment, until payment in full thereof through the end of the Interest Period then applicable thereto at the rate per annum determined by adding 2% to the interest rate which would otherwise be applicable thereto and effective at the end of such Interest Period such Offered Rate Portion shall automatically be converted into and added to the Base Rate Portion and shall thereafter bear interest at the interest rate applicable to the Base Rate Portion after default. Interest on each Offered Rate Portion shall be due and payable on the last day of each Interest Period applicable thereto, and interest after maturity (whether by lapse of time, acceleration or otherwise) shall be due and payable upon demand. The Company shall notify the Bank by 11:00 a.m. (Chicago time) on the Business Day on which the Company requests that any Offered Rate Portion be created or that any part of the Base Rate Portion or any part of a LIBOR Portion be converted into an Offered Rate Portion (each such notice to specify in each instance the amount thereof and the Interest Period selected therefor). Upon receipt of notice from the Bank of the Company's request that an Offered Rate Portion be created or effected by conversion, the Bank shall in its discretion quote an interest rate to the Company at which the Bank would be willing to make the Offered Rate Portion available to the Company for such Interest Period. The Company understands and agrees that (i) the Bank has no obligation to quote Offered Rates or to make any Offered Rate Portion available to the Company, (ii) that the Bank may refuse to make any such Offered Rate Portion available to the Company after receiving a request therefor from the Company and (iii) that any such Offered Rate Portion made available to the Company shall be subject to such other terms and conditions as are mutually agreed upon by the Company and the Bank. If the Company accepts the Offered Rate so quoted by the Bank, then the Company shall be irrevocably committed to take the Offered Rate Portion on the date, in the amount and for the Interest Period requested by the Company and at the Offered Rate quoted by the Bank. The Company acknowledges and agrees that each interest rate quote is given for immediate acceptance, and if the Company does not so immediately accept the Offered Rate quoted on the terms and conditions specified by the Bank and in the amount and for the Interest Period requested by the Company, the offer to make such Offered Rate Portion shall be deemed immediately withdrawn and such Offered Rate Portion not created or effected by conversion, as the case may be.

Section 2.2. Minimum Amounts; Computation of Interest and Fees.

(a) *Minimum Amounts.* Each LIBOR Portion shall be in an amount equal to \$500,000 or such greater amount which is an integral multiple of \$50,000. Each Offered Rate Portion shall be in an amount equal to \$500,000 or such greater amount which is an integral multiple of \$50,000.

All interest on the Base Rate Portion and the commitment fee shall be computed on the basis of a year of 365 or 366 days, as the case may be, for the actual number of days elapsed.

Section 2.3. Manner of Rate Selection. The Company shall notify the Bank by (i) 11:00 a.m. (Chicago time) at least three (3) Business Days prior to the date upon which the Company requests that any LIBOR Portion be created or that any part of the Base Rate Portion or any part of an Offered Rate Portion be converted into a LIBOR Portion (each such notice to specify in each instance the amount thereof and the Interest Period selected therefor) and (ii) 11:00 a.m. (Chicago time) at least one (1) Business Day prior to the date upon which the Company requests that any Offered Rate Portion be created or that any part of the Base Rate Portion or any part of a LIBOR Portion be converted into an Offered Rate Portion (each such notice to specify in each instance the amount thereof and the Interest Period selected therefor). If any request is made to convert a Fixed Rate Portion into the Base Rate Portion, such conversion shall only be made so as to become effective as of the last day of the Interest Period applicable thereto. All requests for the creation, continuance and conversion of Portions under this Agreement shall be irrevocable. Such requests may be written or oral and the Bank is hereby authorized to honor telephonic requests for creations, continuances and conversions received by it from any person the Bank reasonably and in good faith believes to be ~~a Class A~~an Authorized Representative without the need of independent investigation, the Company hereby indemnifying the Bank from any liability or loss ensuing from so acting.

Section 2.4. Change of Law. Notwithstanding any other provisions of this Agreement or the Note, if at any time the Bank shall determine reasonably and in good faith that any change in applicable laws, treaties or regulations or in the interpretation thereof makes it unlawful for the Bank to create or continue to maintain any Fixed Rate Portion, it shall promptly so notify the Company and the obligation of the Bank to create, continue or maintain any such Fixed Rate Portion under this Agreement shall be suspended until it is no longer unlawful for the Bank to create, continue or maintain such Fixed Rate Portion. The Company, on demand, shall, if the continued maintenance of any such Fixed Rate Portion is unlawful, thereupon prepay the outstanding principal amount of the affected Fixed Rate Portion, together with all interest accrued thereon and all other amounts payable to the Bank with respect thereto under this Agreement; *provided, however,* that the Company may elect to convert the principal amount of the affected Fixed Rate Portion into the Base Rate Portion, subject to the terms and conditions of this Agreement.

Section 2.5. Unavailability of Deposits or Inability to Ascertain, or Inadequacy of, Adjusted LIBOR. Notwithstanding any other provision of this Agreement or the Note, if prior to the commencement of any Interest Period, the Bank shall determine reasonably and in good faith that deposits in the amount of any LIBOR Portion scheduled to be outstanding during such Interest Period are not readily available to the Bank in the interbank eurodollar market or, by reason of circumstances affecting the interbank eurodollar market, adequate and reasonable means do not exist for ascertaining Adjusted LIBOR or that LIBOR as determined hereby will not adequately and fairly reflect the cost to the Bank of funding any LIBOR Portion for such Interest Period or that the making or funding of LIBOR Portions has become impracticable, then the Bank shall promptly give notice thereof to the Company and the obligations of the Bank to create, continue or effect by conversion any such LIBOR Portion in such amount and for such Interest Period shall be suspended until deposits in such amount and for the Interest Period selected by the Company shall again be readily available in the interbank eurodollar market and adequate and reasonable means exist for ascertaining Adjusted LIBOR.

Section 2.6. Taxes and Increased Costs. With respect to any Fixed Rate Portion, if the Bank shall determine in good faith that any change in any applicable law, treaty, regulation or guideline (including, without limitation, Regulation D of the Board of Governors of the Federal Reserve System) or any new law, treaty, regulation or guideline, or any interpretation of any of the foregoing by any governmental authority charged with the administration thereof or any central bank or other fiscal, monetary or other authority having jurisdiction over the Bank or its lending branch or the Fixed Rate Portions contemplated by this Agreement (whether or not having the force of law), shall:

(i) impose, increase, or deem applicable any reserve, special deposit or similar requirement against assets held by, or deposits in or for the account of, or loans by, or any other acquisition of funds or disbursements by, the Bank which is not in any instance already accounted for in computing the interest rate applicable to such Fixed Rate Portion;

(ii) subject the Bank, any Fixed Rate Portion or the Note to the extent it evidences such a Portion to any tax (including, without limitation, any United States interest equalization tax or similar tax however named applicable to the acquisition or holding of debt obligations and any interest or penalties with respect thereto), duty, charge, stamp tax, fee, deduction or withholding in respect of this Agreement, any Fixed Rate Portion or the Note to the extent it evidences such a Portion, except such taxes as may be measured by the overall net income or gross receipts of the Bank or its lending branches and imposed by the jurisdiction, or any political subdivision or taxing authority thereof, in which the Bank's principal executive office or its lending branch is located;

(iii) change the basis of taxation of payments of principal and interest due from the Company to the Bank hereunder or under the Note to the extent it evidences any Fixed Rate Portion (other than by a change in taxation of the overall net income or gross receipts of the Bank); or

(iv) impose on the Bank any penalty with respect to the foregoing or any other condition regarding this Agreement, its disbursement, any Fixed Rate Portion or the Note to the extent it evidences any Fixed Rate Portion;

and the Bank shall determine reasonably and in good faith that the result of any of the foregoing is to increase the cost (whether by incurring a cost or adding to a cost) to the Bank of creating or maintaining any Fixed Rate Portion hereunder or to reduce the amount of principal or interest received or receivable by the Bank (without benefit of, or credit for, any proration, exemption, credits or other offsets available under any such laws, treaties, regulations, guidelines or interpretations thereof), then the Company shall pay on demand to the Bank from time to time as specified by the Bank such additional amounts as are sufficient to compensate and indemnify it for such increased cost or reduced amount. If the Bank makes such a claim for compensation, it shall provide to the Company a certificate setting forth the computation of the increased cost or reduced amount as a result of any event mentioned herein in reasonable detail and such certificate shall be *prima facie* correct.

Section 2.7. Funding Indemnity. In the event the Bank shall incur any loss, cost or expense (including, without limitation, any loss (including loss of profit), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired or contracted to be acquired by the Bank to fund or maintain any Fixed Rate Portion or the relending or reinvesting of such deposits or other funds or amounts paid or prepaid to the Bank) as a result of:

(a) any payment of a Fixed Rate Portion on a date other than the last day of the then applicable Interest Period for any reason, whether before or after default, and whether or not such payment is required by any provisions of this Agreement, but in any event excluding such a payment to the extent required by Section 2.4 hereof; or

(b) any failure by the Company to create, borrow, continue or effect by conversion a Fixed Rate Portion on the date specified in a notice given pursuant to this Agreement unless such failure results from the Bank's inability or unwillingness pursuant to Sections 2.4 or 2.5 hereof to create, continue or effect by conversion such Fixed Rate Portions;

then upon the demand of the Bank, the Company shall pay to the Bank such amount as will reimburse the Bank for such loss, cost or expense. If the Bank requests such a reimbursement, it shall provide to the Company a certificate setting forth the computation of the loss, cost or expense giving rise to the request for reimbursement in reasonable detail and such certificate shall be *prima facie* correct.

Section 2.8. Lending Branch. The Bank may, at its option, elect to make, fund or maintain Portions of the Loans hereunder at such of its branches or offices as the Bank may from time to time elect. To the extent reasonably possible, the Bank shall designate an alternate branch or funding office with respect to the Fixed Rate Portions to reduce any liability of the Company to the Bank under Section 2.6 hereof or to avoid the unavailability of an interest rate option under Section 2.5 hereof, so long as such designation is not otherwise disadvantageous to the Bank.

Section 2.9. Discretion of Bank as to Manner of Funding. Notwithstanding any provision of this Agreement to the contrary, the Bank shall be entitled to fund and maintain its funding of all or any part of the Note in any manner it sees fit, it being understood, however, that for the purposes of this Agreement all determinations hereunder (including, without limitation, determinations under Sections 2.5, 2.6 and 2.7 hereof) shall be made as if the Bank had actually funded and maintained each Fixed Rate Portion during each Interest Period applicable thereto through the purchase of deposits in the interbank eurodollar market in the amount of such Fixed Rate Portion, having a maturity corresponding to such Interest Period, and, in the case of any LIBOR Portion, bearing an interest rate equal to the LIBOR for such Interest Period.

Section 8.2. Non-Bankruptcy Defaults. When any Event of Default described in subsection (a) through (i), both inclusive, of Section 8.1 has occurred and is continuing, the Bank may, by notice to the Company, take one or more of the following actions:

(a) terminate the obligation of the Bank to extend any further credit hereunder on the date (which may be the date thereof) stated in such notice;

Notwithstanding anything in this Agreement to the contrary, any event or occurrence of a type described in subsections (f), (g), (i), (j) or (k) of Section 8.1 hereof which occurs with respect to any Insignificant Subsidiary (collectively, "*Subsidiary Defaults*") shall not constitute an Event of Default under Section 8.1 hereof unless and until either (x) the Aggregate Cumulative Amount of Net Income attributable to Insignificant Subsidiaries which were the subject of Subsidiary Defaults on or at any time after the date hereof exceeds 15% of Net Income for the most recently completed fiscal year of the Company or (y) the Aggregate Cumulative Amount of Consolidated Total Assets attributable to such Insignificant Subsidiaries exceeds 15% of Consolidated Total Assets as of the close of the most recently completed fiscal year of the Company.

SECTION 9. THE GUARANTEES.

Section 9.1. The Guarantees. To induce the Bank to provide the credits described herein and in consideration of benefits expected to accrue to each Guarantor by reason of the commitments and for other good and valuable consideration, receipt of which is hereby acknowledged, each Guarantor hereby unconditionally and irrevocably guarantees jointly and severally to the Bank, and each other holder of any Obligations, the due and punctual payment of all present and future Obligations, including, but not limited to, the due and punctual payment of principal of and interest on the Note, the due and punctual payment of all obligations owing under the Applications, and the due and punctual payment of all other Obligations now or hereafter owed by the Company under the Loan Documents as and when the same shall become due and payable, whether at stated maturity, by acceleration or otherwise, according to the terms hereof and thereof; *provided, however*, that, with respect to any Guarantor, Obligations consisting of Hedging Liability guaranteed by such Guarantor shall exclude all Excluded Swap Obligations. In case of failure by the Company punctually to pay any indebtedness or other Obligations guaranteed hereby, each Guarantor hereby unconditionally agrees jointly and severally to make such payment or to cause such payment to be made punctually as and when the same shall become due and payable, whether at stated maturity, by acceleration or otherwise, and as if such payment were made by the Company.

Section 9.2. Guarantee Unconditional. The obligations of each Guarantor as a guarantor under this Section 9 shall be unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by:

(a) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company or of any other Guarantor under this Agreement or any other Loan Document or by operation of law or otherwise;

(b) any modification or amendment of or supplement to this Agreement or any other Loan Document;

(c) any change in the corporate existence, structure or ownership of, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting, the Company, any other Guarantor, or any of their respective assets, or any resulting release or discharge of any obligation of the Company or of any other Guarantor contained in any Loan Document;

(d) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Bank or any other Person, whether or not arising in connection herewith;

(e) any failure to assert, or any assertion of, any claim or demand or any exercise of, or failure to exercise, any rights or remedies against the Company, any other Guarantor or any other Person or Property;

(f) any application of any sums by whomsoever paid or howsoever realized to any obligation of the Company, regardless of what obligations of the Company remain unpaid;

(g) any invalidity or unenforceability relating to or against the Company or any other Guarantor for any reason of this Agreement or of any other Loan Document or any provision of applicable law or regulation purporting to prohibit the payment by the Company or any other Guarantor of the principal of or interest on the Note or any other amount payable by it under the Loan Documents; or

(h) any other act or omission to act or delay of any kind by the Bank or any other Person or any other circumstance whatsoever that might, but for the provisions of this paragraph, constitute a legal or equitable discharge of the obligations of the Guarantor under this Section 9.

Section 9.3. Discharge Only Upon Payment in Full; Reinstatement in Certain Circumstances. Each Guarantor's obligations under this Section 9 shall remain in full force and effect until the commitments are terminated and the principal of and interest on the Note and all other amounts payable by the Company under this Agreement and all other Loan Documents shall have been paid in full. If at any time any payment of the principal of or interest on any Note or any

other amount payable by the Company under the Loan Documents is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Company or of a Guarantor, or otherwise, each Guarantor's obligations under this Section 9 with respect to such payment shall be reinstated at such time as though such payment had become due but had not been made at such time.

Section 9.4. Subrogation. Each Guarantor agrees it will not exercise any rights which it may acquire by way of subrogation by any payment made hereunder, or otherwise, until all the Obligations [under the Loan Documents](#) shall have been paid in full subsequent to the termination of the Revolving Credit Commitment and expiration of all Letters of Credit. If any amount shall be paid to a Guarantor on account of such subrogation rights at any time prior to the later of (x) the payment in full of the Obligations [under the Loan Documents](#) and all other amounts payable by the Company hereunder and the other Loan Documents and (y) the termination of the Revolving Credit Commitment and expiration of all Letters of Credit, such amount shall be held in trust for the benefit of the Bank (and their Affiliates) and shall forthwith be paid to the Bank (and their Affiliates) or be credited and applied upon the Obligations [under the Loan Documents](#), whether matured or unmatured, in accordance with the terms of this Agreement.

Section 9.5. Waivers. Each Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by the Bank or any other Person against the Company, another Guarantor or any other Person.

Section 9.6. Limit on Recovery. Notwithstanding any other provision hereof, the right to recovery of the holders of the Obligations against each Guarantor under this Section 9 shall not exceed \$1.00 less than the lowest amount which would render such Guarantor's obligations hereunder void or voidable under applicable law, including without limitation fraudulent conveyance law.

Section 9.7. Stay of Acceleration. If acceleration of the time for payment of any amount payable by the Company under this Agreement or any other Loan Document is stayed upon the insolvency, bankruptcy or reorganization of the Company, all such amounts otherwise subject to acceleration under the terms of this Agreement or the other Loan Documents shall nonetheless be payable jointly and severally by the Guarantors hereunder forthwith on demand by the Bank.

Section 9.8. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by the Company and each other Guarantor to honor all of its obligations under this Guaranty in respect of Swap Obligations (provided, however, that each

Qualified ECP Guarantor shall only be liable under this Section for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section, or otherwise under this Guaranty, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section shall remain in full force and effect until discharged in accordance with Section 9.3. Each Qualified ECP Guarantor intends that this Section constitute, and this Section shall be deemed to constitute, a “keepwell, support, or other agreement” for the benefit of the Company and each other Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

SECTION 10. MISCELLANEOUS.

Section 10.1. Holidays. If any payment hereunder becomes due and payable on a day which is not a Business Day, the due date of such payment shall be extended to the next succeeding Business Day on which date such payment shall be due and payable. In the case of any payment of principal falling due on a day which is not a Business Day, interest on such principal amount shall continue to accrue during such extension at the rate per annum then in effect, which accrued amount shall be due and payable on the next scheduled date for the payment of interest.

Section 10.2. No Waiver, Cumulative Remedies. No delay or failure on the part of the Bank or on the part of the holder of the Obligations in the exercise of any power or right shall operate as a waiver thereof or as an acquiescence in any default, nor shall any single or partial exercise of any power or right preclude any other or further exercise thereof or the exercise of any other power or right. The rights and remedies hereunder of the Bank and of the holder of the Obligations are cumulative to, and not exclusive of, any rights or remedies which any of them would otherwise have.

Section 10.3. Amendments, Etc. No amendment, modification, termination or waiver of any provision of this Agreement or of any other Loan Document, nor consent to any departure by the Company therefrom, shall in any event be effective unless the same shall be in writing and signed by the Bank [and the Company](#). No notice to or demand on the Company in any case shall entitle the Company to any other or further notice or demand in similar or other circumstances.

Section 10.4. Costs and Expenses. The Company agrees to pay on demand the costs and expenses of the Bank incurred in connection with the negotiation, preparation, execution and delivery of this Agreement and the other Loan Documents and the other instruments and documents to be delivered thereunder, and in connection with the transactions contemplated hereby or thereby, and in connection with any consents hereunder and any waivers or amendments hereto or thereto, including the fees and expenses of counsel for the Bank, with respect to all of the foregoing (whether or not the transactions contemplated hereby are consummated). The Company further agrees to

pay to the Bank or any other holder of the Obligations all costs and expenses (including court costs and attorneys' fees), if any, incurred or paid by the Bank or any other holder of the Obligations in connection with any Default or Event of Default or in connection with the enforcement of this Agreement or any other Loan Document or any other instrument or document delivered thereunder (including, without limitation, all such costs and expenses incurred in connection with any proceeding under the United States Bankruptcy Code involving the Company or any Guarantor). The Company further agrees to indemnify the Bank, and any security trustee, and their respective directors, officers and employees, against all losses, claims, damages, penalties, judgments, liabilities and expenses (including, without limitation, all expenses of litigation or preparation therefor, whether or not the indemnified person is a party thereto) which any of them may pay or incur arising out of or relating to any Loan Document or any of the transactions contemplated thereby or the direct or indirect application or proposed application of the proceeds of any extension of credit made available hereunder, other than those which arise from a material breach of this Agreement by the party claiming indemnification or the gross negligence or willful misconduct of the party claiming indemnification. The Company, upon demand by the Bank at any time, shall reimburse the Bank for any legal or other expenses incurred in connection with investigating or defending against any of the foregoing except if the same is directly due to a material breach of this Agreement by the party to be indemnified or the gross negligence or willful misconduct of the party to be indemnified. The obligations of the Company under this Section shall survive the termination of this Agreement.

Section 10.5. Documentary Taxes. The Company agrees to pay on demand any documentary, stamp or similar taxes payable in respect of this Agreement or any other Loan Document, including interest and penalties, in the event any such taxes are assessed, irrespective of when such assessment is made and whether or not any credit is then in use or available hereunder.

Section 10.6. Survival of Representations. All representations and warranties made herein or in any of the other Loan Documents or in certificates given pursuant hereto or thereto shall survive the execution and delivery of this Agreement and the other Loan Documents, and shall continue in full force and effect with respect to the date as of which they were made as long as any credit is in use or available hereunder.

Section 10.7. Survival of Indemnities. All indemnities and other provisions relative to reimbursement to the Bank of amounts sufficient to protect the yield of the Bank with respect to the Loans, including, but not limited to, Sections 2.6 and 2.7 hereof, shall survive the termination of this Agreement and the payment of the Note.
