Oil-Dri Announces Price Increases for its Fluid Purification Products

December 1, 2021 9:10 PM EST

CHICAGO, Dec. 01, 2021 (GLOBE NEWSWIRE) -- Oil-Dri Corporation of America (NYSE: ODC) today announced that it will increase prices for its fluid purification products. The price increases, effective January 1, 2022, will range up to 10% depending on the product.

These pricing actions are necessary as the company is facing significant inflation across many key cost inputs, including natural gas, diesel, packaging, and non-fuel manufacturing costs.

Oil-Dri sales representatives will communicate additional details of the price increases to their customers directly.
