CHICAGO, Nov. 16, 2023 (GLOBE NEWSWIRE) -- Oil-Dri Corporation of America was recently ranked #7 out of 100 on Forbes' List of America's Most Successful Small-Cap Companies for 2024.

Daniel S. Jaffee, President and Chief Executive Officer, stated, "We are honored to have been included on Forbes' List of America's Best Small-Cap Companies. This recognition highlights our team's dedication to deliver value to our shareholders, customers, and other stakeholders. We remain focused on growth in this small-cap arena with our innovative mineral based sorbent products."

Forbes used data from FactSet to compile its annual list of America's Most Successful Small-Cap Companies. Over 1,000 small-cap companies with a market value between $300 million – $2 billion were reviewed, and the list was narrowed down to 389 companies that had positive sales growth over the past twelve months and a share price of at least $5. The rankings were based on earnings growth, sales growth, return on equity, and total stock return for the trailing twelve months and over the last five years.
