CHICAGO , Nov. 19, 2024 (GLOBE NEWSWIRE) -- Oil-Dri Corporation of America was recently ranked on [Forbes' List of America's Most Successful Small-Cap Companies](#) for 2025.

Daniel S. Jaffee, President and Chief Executive Officer, stated, "We are honored to have been included on Forbes' List of America's Most Successful Small-Cap Companies for the second year in a row. Our strong financial results have allowed us to be ranked alongside a distinguished group of top-performing businesses within the small cap landscape. This recognition is a testament to the dedication of our team, the trust of our customers, and the support of our shareholders; all of whom inspire us to continue our mission to *Create Value from Sorbent Minerals*."

Forbes used data from FactSet to compile its annual list of America's Most Successful Small-Cap Companies. Forbes reviewed 914 small-cap companies with a market value between \$300 million and \$2 billion. The list was then narrowed down to 322 companies that had positive sales growth over the past twelve months and a share price of at least \$5. The rankings were based on earnings growth, sales growth, return on equity, and total stock return for the latest twelve months available and over the last five years.
